LIFE GOES ON

Not even war can rob us of life's permanent interests. People are still interested in the seasons and the weather, as the letters to editors will attest. People are still interested in the English language. They continue to be offended by sloppy punctuation and write letters to the papers about it. People are offended by sloppy literary style, and complain in public.

Why does a conference of college professors say "consensus of opinion" when the consensus by itself means an agreement of opinion? Why do people pronounce it "redooce" instead of "reduce," and why does even the most inarticulate speaker of our times, Mr. Roosevelt, occasionally slip up and say "constatutinal" instead of "constitutional"? One would think that there are more serious problems for us today—New York Times.

PARENTHOOD OF OSCEOLA

Deaconess Harriet M. Bedell in charge of the Seminole Indian mission of the Episcopal church at Everglades, Fla., takes issue with our Mr. Rardin on the parentage of Osceola. Referring to a statement on the editorial page of the Banner that Osceola probably was the son of William Powell, the white trader, Deaconess Bedell writes:

"The Indians who claim to be descendants of Osceola say his father was an Indian died when he was a child and mother later married a white man. Thus they claim Osceola was full blood."

This is a moot subject that probably never will be settled. But the white man has written records and the Seminole only passes down his history by word of mouth. Inasmuch as Osceola himself is said to have denied his white blood, it is not surprising that his descendants should do likewise.

We gather from the letter of Deaconess

Bedell that the Florida Seminole is not at all proud of his white heritage.

"I like scraps of pictures of the life of our Lord," she writes, "but these pictures must tell a story and pictures of angels can not be used. These Indians hate white people on mss so I cannot show them God's messengers as beautiful white women with golden hair and flowing robes. The Biblical teaching is not this."—Ocala Banner.

FLORIDA FARMING

Farmers in Florida receive annually more than \$200,000,000 for their crops—a sum not to be lightly considered—yet the farmers are much concerned as to the manner in which the present crops of fruits and vegetables will be handled.

It is a certain fact that the farmer has always had to carry the brunt of the loss of feeding the nation and has never received, in return, compensation hardly sufficient to pay for the cost of production.

The government is attempting to "fix prices" and Florida comes in for a share of attention in this respect as it enters its production stage of farm products while the other part of the nation had laid aside its tools and equipment after a very successful season.

The government is still calling for more production. Every acre that is tillable in Florida is being worked. In Hardee county there are thousands of acres available for production and its owners can do a real service by putting these idle acres to work raising food.

It's true that a number of small growers are handicapped by the lack of funds to carry on but there are a number of governmental agencies that will lend aid to those who want to farm and it behooves those to investigate and even if they can't put in a large acreage, they can at least grow a small garden for home consumption and thus help the man in uniform.

All farmers should be glad to give prices this winter.—Wauchula Advocate.

HEADWIND IN THE ARMY

It had been reported that the captain to Private Charles Mitchell when he returned late from a three-day furlough, to Fort Devens, Mass. "Well, I was about to get on a bus," Mitchell explained; "when I heard a band playing 'The Star Spangled Banner.' I turned to stand at attention and face the direction of the music. When it was over, the bus was gone!" The explanation was accepted.—Gospert.

Druggist Finds War Bond Drive

St. Petersburg, Nov. 5.—(FNS)—

Several nationally known firms have been challenged to participate in a 10-day bond selling drive. J. P. (Doc) Webb, president of Webb's Cut Rate Drug Store here, has a usual merchandising methods have made news from coast to coast.

A million dollars' worth of war bonds can be sold if all will take part. Webb continued.

The live-wire independent merchant finds his gauntlet in the face of the following national chain merchandising leaders: Macy's Department Store of New York City; Gimbel Brothers of Philadelphia; John Wanamaker of Philadelphia; May and Company of Cleveland; Marshall Field Company of Chicago; Bullock's Department Store of Los Angeles; Burdines of Miami; Cohen's of Jacksonville; and Macys of Tampa.

Webb, operating independently, has long held his own against the big boys and feels that if he can do it with merchandise he can do it with bonds.

Bibles For All Service Men

Tampa, Nov. 5.—(FNS)—An all out drive to place a New Testament in the hands of all service men training in Florida was launched here last week.

Behind the effort are American Bible Society and the Service Men's Bible Campaign, while the local sponsoring committee is headed by former governor Doyle Harrison. Others on the committee include Governor Spessard Holland, Dr. Ludd M. Spivey of Southern College, Senator Charles O. Anderson, Arthur J. Moore, Emory University, Methodist Bishop of Florida and George, Episcopal Bishop John D. Wing.

Major Albert Walden, of the Salvation Army, Miami, and others. For the past 125 years the American Bible Society has provided scriptures for every man in which the United States has been engaged, distributing them to service men in all branches of the service. The work is made possible through the cooperation of Christian men and women, each volume becoming a personalized gift.

Important Information

Absolute knowledge have I none. But my aunt's wash woman's sister's son heard a policeman on his beat say to a joker on the street. That he had a letter just last week written in the finest Greek. From a Chinese couple in Timbuctu.

Who said the natives in Cuba knew.

Or a one-legged man in a Texan town.

Who got it straight from a circus.

That a man in the Klondike knew the tip.

Straight from a South American's lip.

About somebody in Borneo, who had heard a man who claimed it true.

That he had a son, whose girl friend Lola knows where you can buy a Coca-Cola.

Children's Home Does Worthy Work

Jacksonville, Nov. 5.—(FNS)—

On the occasion of the 40th birthday of the Children's Home Society of Florida, celebrated here this week, Governor Spessard Holland said: "I have personally known of the important state-wide non-sectarian service of the Children's Home, Florida's Greatest Charity, for many years, and firmly believe that the Society has rendered an unusually worthwhile service, not only to over 40,000 homeless orphan and needy children, but to the entire citizenship of Florida."

Generous public support of this worthy institution was urged by the chief executive as well as by business and civic leaders.

Accidents Take Huge Death Toll

Tampa, Nov. 5.—(FNS)—

"Eleven thousand men and women in the U. S. have been killed or injured daily since Pearl Harbor," stated Ascher Frank, director of the Florida Safety Council.

Frank pointed out that 47,463 persons have been killed, missing or injured in the armed forces.

He further pointed out that for the first 8 months of 1942, 679,000 have been killed by traffic and 1,007,000 in industry in the U. S.

Florida, or a total of 1,307 deaths from carelessness and accident's in our state alone.

CANAL POINT METHODIST

The Church With a Welcome

E. S. Doherty, Pastor

Sunday School 10 a. m. N. Y.

Mazon superintendent.

Morning worship, 11 o'clock.

Sermon subject: "Din Gold."

Evening service 8 o'clock.

Sermon subject: "Second Mile Christianity." (Armistice Day Sermon).

Subsides service—Wednesday, 7:30 p. m. followed by choir practice 8:30 p. m.

Next Lord's Day is the Sunday preceding Armistice Day.

The pastor will speak on the subject of "Din Gold" at the morning service in which he will point out that our American way of life is still golden even though we have allowed the gold to become dim.

The evening subject is "Second Mile Christianity" which is based on the teaching of Jesus in the sermon on the mount, and will deal with the unconditional theory of non resistance.

There is much confusion today regarding whether a Christian should fight or not. People are asking the ministers of the gospel did Jesus mean what He said when He told the disciples to turn the other cheek, and if a man take away your coat let him have your cloak too? If Jesus did not mean these things literally what did He mean?

Come and hear the answer.

Don't Use Shoe Boxes To Mail

Tampa, Nov. 5.—(FNS)—

A striking example of how an innocent statement can cause public confusion and misunderstanding was revealed in Tampa when a news reporter announced that service men overseas in regulation shoe boxes, most of them too small for the shipment, without official protection.

Postmaster Edgar Wall investigated and found that most people and the impression that such packages had to be shipped in shoe boxes, when all the postal authorities insist that the size of the package should not be larger than that of a shoe box.

LIONS HEAR 18 NEGRO SINGERS

Jack Ridd, manager of the Everglades Migratory Labor Camp, presented a chorus of 18 negro children in a program of songs at the luncheon meeting of the Pahokee Lions Club Tuesday.

The chorus sang negro spirituals under the direction of their music teacher.

A letter was read from Principal D. D. Caultin in which he thanked the Lions for their assistance in making the school children sing negro spirituals.

The Rev. T. A. Ferguson, a visitor, commended the Lions for their activities in local defense projects.

It was announced that Earl "Spider" Lindroos, a member now in the armed services, had been promoted to the rank of first lieutenant. A. T. French, representative of the Federal Employment Service and F. K. Smith, past president of Belle Glade Lions, were guests.

"I just dropped in to tell you we boys in the A.E.F. are grateful to the folks back home who are doing everything possible to help war production. Everything that helps war production helps us of the front."

By helping to keep long distance telephone lines clear for war calls, you help speed war production. War calls are crowding telephone lines—especially the "long haul" lines which are the most heavily loaded with war business. The greater the distance you talk, the greater the likelihood of delaying vital war calls. To keep telephone lines clear for our armed forces, war industries and civilian defense agencies, is our job here at home.

We cannot add new lines because materials are more urgently needed to equip our fighters. Therefore, to make more room on crowded long distance lines for important war business telephone calls are used to make only absolutely essential calls and to be brief in all conversations.

War takes no holiday, so please don't use "long distance" to exchange Thanksgiving greetings.

Railroads are Performing TWO JOBS

Vital to the Life of the Nation

No. 1

Speeding OUR WAR PROGRAM

Trucks must be moved—huge quantities of munitions, national supplies and war materials must be kept flowing. This is the railroad's No. 1 war-time assignment.

Unlike other industries, the railroads in time of war take on heavy military duties without giving up their peace-time occupation. They alone can provide the huge extra volume of transportation required to wage total war, but at the same time must continue to meet civilian needs. That, you will agree, is a pretty tough assignment.

In performing these two great tasks and doing them well, the railroads are proving indispensable to the very life and continued freedom of the nation.

The facilities of the Florida East Coast Railway, like those of other railroads are dedicated first of all to winning this war of survival. If our regular service does not always come up to normal peacetime standards, we trust you will make due allowances for conditions. It is our earnest desire to give you and your community the best possible service the emergency will permit.

No. 2

Maintaining OUR CIVILIAN LIFE

In addition, civilian needs must be met. Crops, food, fuel, merchandise and other necessities of our daily life must continue to move on rails during peace-time.

A SERVICE VITAL TO FLORIDA AND THE NATION

TOO LATE TO CLASSIFY

By Russell Kay

One hundred and sixty-seven Marines.

year ago, November 10, 1775, to be exact, the first Corps of United States Marines was established by resolution of the Continental Congress.

The first unit, consisting of two battalions under the command of Major Samuel Nichols, saw action with the expedition of Commodore Esek Hopkins against New Providence in the Bahamas when the overwhelming tremendous odds, they captured enemy forts and acquired a quantity of military stores, including a large amount of powder, sorely needed by the colonial forces.

As we approach another birthday of this crack fighting organization, it is proper and fitting that we review some of the outstanding accomplishments of this outfit that, has contributed so much to our nation's glorious history.

It is hard to imagine Leathernecks garbed in powdered wigs and satin breeches, but their colonial trapping clothes gallant souls and courageous hearts, whose deeds and actions in the service of our country gave birth to the "esprit de corps" retained by the organization throughout the years.

In the thick of it at Trenton and Princeton with General Washington, 'tween United States Marines. The thundering guns of John Paul Jones' "Ranger" Civil War period was the toughest of "Bon Homme Richard" were manned by

the uprising and riot at Harper's Ferry, by a force of Marines led by Colonel Robert E. Lee, then an officer in the U. S. Army.

Wherever trouble raised its ugly head, Marines were called on to establish order. During labor riots in Baltimore and Philadelphia they policed the troubled areas. They were sent to protect American interests and were leaders in the Formosa expedition. They again raised the Stars and Stripes at Alexandria, Egypt, seventy-seven years after O'Bannon and his Marines had hoisted them first at Tripoli.

The Spanish American war found them active on land and sea. They gave brave, brilliant, and gallant service in the thick of it at Manila and Santiago.

Since the turn of the century not a year has passed without seeing Marines on expeditionary service in every part of the world. Mexico, Cuba, Nicaragua, China, Dominican Republic, Haiti, all know and respect the United States Marine.

First to fight in World War I they took over, in the face of French retreat, were refusing to obey the French command to retire. Captain Lloyd Williams shouted: "Retreat. Hell—we just got here"—and there they stood. But no achievement in our American history stands out as the glorious defense of Wake Island by the gallant little band of Leathernecks who fought a hopeless, fight against staggering odds and when asked what they needed most, sent back the simple reply: "Send us more Japs."

Their glorious exploits in the Solomon is as an infixed chapter in the history of this gallant corps, but it is being written to the foreword in the hearts of the countrymen.

All honor to the Leathernecks on this their 167th birthday.

Summer business in West Palm Beach was the best in years and visitors already are moving in. J. O. Bowen, mayor of the city, declared: "I believe the security of fuel along the eastern seaboard is more than counterbalanced the transportation difficulties as far as Florida's tourist crop" is concerned, he stated.

Newspapers will get the bulk of the more than a million dollars spent in industry in the state will spend to advertise, the state's record breaking citrus crop, officials have announced.

What The Movies Have To Offer During The Coming Week

The Sunday-Monday-Tuesday fare at the Prince Theatre this coming week is really a treat. Both are military pictures, yet one is so crammed full of action that the customers are going to find themselves breathless from unrelenting suspense when they see "Remember Pearl Harbor."

I speak of it first, although it will play at the Saturday "Owl Show and Tuesday only at the above theatre. We can never forget Pearl Harbor—We can never for-

get that incident in our history—and we will all remember Pearl Harbor, the film, because the producers have bent every effort to make this show as authentic as it is humanly possible. Donald M. Barry, Alan Curtis, Jay McKenrie and Diana Del Rio head a huge staff of carefully selected technicians and everyone works with patriotic zeal to make this an outstanding show.

Now the Sunday-Monday show, "Ten Gentlemen From West Point," is a show that we have received many requests from patrons to play and at last I'm happy to announce it will be screened Sunday-Monday. George Montgomery, Maureen O'Hara, John Sutton and Laird Cregar are the principal members of an outstanding cast, telling a marvellous story that will run the shivers right up and down

ALL "good soldiers" in the army. For that term only describe millions of civilians who have accepted war's inconveniences cheerfully. With all transportation strained to the limit, and buses carrying peak loads, small inconveniences sometimes occur. We're doing our utmost to make travel as pleasant as possible, and later on travel as you like it will return. In the meantime, the war effort comes first. your tack bone—a fast stepping show that will step right into your heart.

I am picking "The Magnificent Ambersons" as the tupper for the double feature parade Wednesday-Thursday. It leads as it stars Joseph Cotton, Dolores Costello, Anne Baxter—but they neglected to list a great Broadway star, Richard Dix, who played the father of John Amberson and Constance. Richard created the part of Nitty in "The Barker." I played Col. Gowdy in the same place in stock. He is a great actor and I'm sure he'll turn in a wonderful performance in all the parts.

"Youth on Parade" teams with this above show, starring John Hubbard, Ruth Terry and T. M. Brown. It's a campus, campus, campus opera, with co-eds as campus cadets, mixing up a concoction of singing, dancing and comedy, with a plot that is not too strong but wholly entertaining.

I am sticking my finger in "Whispering Ghosts" for your Friday double-header. It stars Milton Berle and Brenda Joyce with John Caradine playing his usual convincing stinker and a weaving his way around through the story in such a sinister manner as to raise the goose pimples on your back to the size of ostrich eggs. It's purely a mystery show and a whacky one at that, with Berle on a ghost ship trying to solve a murder mystery. I think you go for it in a howling sort of way.

"Hi Neighbor" is the alternate opsee on this bill. It boasts Jean Parker, John Archer, Roy Acuff and his Smokey Mountain Boys, as the leaders of this cast. This is one that shows where the real meat is—in fact we dare you to find a real plot. The show was arranged for a show-off of radio talent such as Louella and Scotty, Barbara Jo Allen (Vera Vague), Don Wilson, Harry "Pappy" Cheshire and Lillian Randolph (Bridle). If you are a radio fan you will not doubt get a bang out of this one.

Well, sisters, members of the Shooters Club, I reckon you fellows are gold to be right proud to know that Gene Aubrey and Smokey Burnette will be here on Saturday in Sierra Star, a galloping opsee if there ever was one. I reckon you wranglers will mount up early that day and stampede to the old Prince to welcome these hero boys and gals in their smacker-of-a-corner.

Another chapter in The Perils of Pauline and some real ring sports sure will round out a swell day for you. So, yes, you get out change in war stamps—see you at the movies... Mat.

Richard Arlen and Chester Morris are going to give you a jam on the screen. They are the best of friends.

PAHOKEE HIGH SCHOOL NEWS

WRITTEN BY REPORTERS FROM EACH CLASS

Senior Class

Along with other new members, Pahokee High School has a new class in the faculty this year. These new members combine with the few remaining seniors of last year to make one of the most amicable faculties in years.

Among the new members are: Miss Barbara McNamara, Spanish and English teacher, who holds a B. S. in Massachusetts; Miss Dorothy Whittington, History teacher, comes here from Lake Worth; Miss Louise Douglas, commercial teacher, taught in Eau Gallie.

Our two new coaches, Jack Boise and Frank Osteen are doing a grand job with the team this year. Miss Mabel Fletcher is again our librarian after serving last year in Belle Glade. Miss Genevieve Summer, physical education director, taught in North Carolina last year, but originally came from Moore Haven. Marvin Thoms is school secretary.

The senior class of 1942-43 is smaller than the preceding class. It is composed of twenty-one members: fifteen boys and thirteen girls. The senior class motto is "Quality not Quantity."

As an example of the quality of the class, the senior boys obtained permission to gather all senior cars themselves. They secured trucks and went out with Mr. Osteen several Saturdays and worked all day gathering scrap.

One Saturday several of the senior girls went with the boys to gather scrap. They started early in the morning and worked until six o'clock that afternoon. The total amount collected by the senior class was 48,300 pounds. Edwin Corvart was the leading scrapper of the senior class.

Mrs. Colson, one of our sponsors, served a lunch of meat-balls and spaghetti.

This also shows how well the

senior class is working together as a body.

The cheering section is well led by our contribution, Dorothy Wood, a senior.

Junior Class

This year our Junior class officers are: Flora Mary Weyer, Vice-President; Ruth Weyer, Secretary; Lucille Salvatore, Treasurer; Jacqueline Henry, Editor; Fred Shackford, Sergeant-at-Arms; Tom Padgett, Reporter.

We are glad to announce that this year the Junior Class has the responsibility of selling all soft drinks and peanuts at the football games. We hope to continue at this job for many years.

Halloween Party On—

of another grade bobbed for apples, another group tried to pin the tail on the donkey or did Halloween stunts, played at ring toss or cards and dozens of other forms of entertainment.

After the games came the colorful parade of costumes led by Robert O. Lampy's well-trained High School Band with its high stepping drum major and baton twirling majorettes. Over 375 children took part in the parade which extended to twice the length of the field. It was a motley array of witches and hobgoblins, Raggedy Ann and Raggedy Sam, story book and comic strip characters, cowboys, sailors, Indian dancers, nurses, football stars, skeletons and clowns that came to a halt before the judges stand.

Prizes of \$1 each were awarded to Louis Pope as "Uncle Sam" and Carolyn Cowart as "Little Bo-peep" for the most beautiful costumes; Jacqueline Scruggs as a Red Cross nurse and Jimmy O'Connell as a football player, for the most original costumes; Mary and Martha Hall as the "Gold Dust Twins" and Merle Smith as the washwoman's pincushion, for the most comical costumes. Children who won prizes in the scrap drive also received their awards at the party.

While the younger children were having their fun on the athletic field the high school students en-

joyed dancing in the gymnasium. All were served refreshments consisting of ice cream, cake and candy.

If there had been schemes to soap windows, run off with gates and play other Halloween pranks after the party these were forgotten as the tired but happy children went home to bed. As the adults in charge watched the children go, they could hardly have been feeling that they had assisted in putting over something very worthwhile and for their elation sprang the hope that such a party could be held for the school children every Halloween night.

Blue Devils Prove They're Scrappers Tho. Young & Light

Team Goes to Fort Pierce Tonight for Fifth Game of Season

The Pahokee Blue Devils have won one, tied two and lost one game on their 1942 schedule. Tonight they go to Fort Pierce where they play the scrappy aggregation representing Fort Pierce High school.

Last Friday night the locals held the strong Fort Lauderdale eleven to two touchdowns. Outweighed by the Broward countians, the Blue Devils fought until the last whistle but were unable to cross the visitors' goal line.

Charles Wilkinson, 145 lb. letterman, is proving his worth as the outstanding defensive end on the squad. Making his work for his position of left end is Charles Singletary, 145 lb. Freshman, out for his first year and showing promise for the next season. Hugh Branch, regular right end, returned to the game after being out with a "split" hip which slowed him down for a time, but seems to be back with the thought for asking up for next time. Although this is his first year out he shows ability which he gained in playing basketball. He is the best pass receiver on the squad and also an excellent blocker.

The tackle positions are well manned by Ernest Bond, 185 lb.

veteran, and Dick Punderbuck, a Freshman. Punderbuck is playing outstanding ball despite his lack of experience and is as tough as they come. Boland, largest man on the squad, has well earned his position at tackle. Joe Hatten, husky reserve, is threatening the position of these boys as regular tackle.

To be a guard for Pahokee you have to know your "stuff". Jack Dawson, newcomer, was hurt for the first of the season but is now out again. He proved to be the best blocking guard on the team. With little or no experience he proved to be a sharp blocker and is expected to do great things.

Charles McQuig, 125 lbs. of dynamic, earned his letter last year and is now better than ever this year. Outweighed by every man on the squad he makes up for it by working hard.

Glynn Carr, most versatile man on the squad, is able to play almost any position to perfection. Guard and quarterback are his most frequent positions. He is

called on when action is needed and can be depended on to get it. Edwin Cowart can always be counted on for action in his position of guard.

Taking turns at centering for the Blue Devils are Frank Handley and Bill Baker, both doing a good job. Boggie Hawkins, Donald Harrington, and A. C. Howell, Jr. are backing up the first string.

The line as a whole has improved considerably since the first game. This solid wall works not as an individual but as one unit.

Coaches Boland and Osteen are showing splendid results with the group of youngsters.

DeMoya Resigns Defense Concl

P. P. DeMoya, chairman of the Pahokee-Canal Point Defense Council since its inception, this week announced his resignation. A letter addressed to Paul Twitty,
